

Prof. I. S. Jawahir visited ASLGSC HQ on 28.12.2013, the last Saturday of December 2013. He is a Mechanical Engineering Graduate of Peoples Friendship University (1970-1975). After graduation he has worked in various capacities in Sri Lanka, PNG, Australia and USA in the field of mechanical engineering and since 1990 he has been attached to the University of Kentucky, USA, as Professor of Mechanical Engineering and James F. Hardymon Endowed Chair in Manufacturing Systems.

We are happy to learn that he is the recipient of the Year 2013 American Society of Mechanical Engineering (ASME) Milton C. Shaw Manufacturing Research Medal. Congratulations!

We wish to note that Jawahir never fails to visit ASLGSC Headquarters whenever he comes to Sri Lanka.
